

# KEYWORTH SCHOOL OF THEATRE DANCE

March 2020

## **'Timeless' Show**

### **Thank you and a huge well done!**

The weekend was a huge success and we have had some lovely feedback from our audience. We would like to take this opportunity to thank all the parents for their support and to the pupils for their hard work, commitment and enthusiasm leading up to the show and for being simply fabulous all weekend and performing so brilliantly. The standard was excellent. For some it was their first show on a big stage and we were so impressed by their excellent behaviour and no-fuss attitude.

We are particularly grateful to the parents who volunteered as chaperones as it is a very stressful position to be placed in. We appreciate all your help. We would like to thank the teachers for their fantastic choreography, creativity and giving up their weekend to help at the theatre, as well as everyone who played a part in the costume and prop creations. These were all stunning – and the Time Machine was worthy of a professional production! Our thanks also to our music editor, administration and backstage team who help time and time again at show time to support the school, show and the charity.

We also thank everyone for their patience with signing the children in and out of the building and the additional precautionary measures we were taking to ensure hand washing was taking place regularly.

We will let you know as soon as we can how much money has been raised for Macmillan Cancer Support through ticket sales and programme sales after we have received the invoice from Loughborough Town Hall.

**Frozen Workshop – 6/7/8 April with MTW**

This has now been cancelled and we shall be contacting you to refund you in full.

**Fees**

Regarding refunds for Block 4, the plan is to reduce everyone's bills by discounting three weeks in Block 5 (whenever this takes place). Please get in touch if this is not appropriate for your situation.

As per our email yesterday we have now closed KSTD and will inform everyone when we are able to re-open. We hope to be able to open again as soon as possible, and maybe during the summer months to fit in Block 6 as well. We shall be guided by the government on this as everyone will be.

Stay safe everyone and follow the government advice.

Hope to see you all soon!

Thank you
