

KEYWORTH SCHOOL OF THEATRE DANCE

We are approaching our Golden show and would like to confirm arrangements for the **Webster Hall** First Steps class.

Back Stage Arrangements: Sunday 22 March performance

First Steps age 5+

If your child is of school age we can chaperone them at the show on Sunday 22 March. They would be in a group with other children led by a parent of the dance school (licensed chaperone and/or DBS checked). If you wish for your child to be in a group and they will be age 5+ please let us know as soon as possible.

If you prefer to stay backstage with your child for the duration this is fine and welcomed but please let us know either way. As you are only looking after your own child you do not need to be DBS checked.
